

K-LOVE is a wonderful station and I can't imagine our community without it. So many people have come to know Christ and His love. I listen to K-LOVE whenever my radio is on, which is about 12 hours a day. We listen to it at work and many local businesses have it playing. The world needs to know God and his wonderful grace and K-LOVE is one of the best ways because it's message is so sweet and everyone loves music. So we get double the pleasure. Please do not take our signal away.
